Keeping You In The Know

PROJECT SAVE OUR CHILDREN

3rd COMMUNITY FORUM

THE DECISION MAKERS IMPACTING THE LIVES OF CHILDREN AND FAMILIES

Date: October 14, 2010
Time: 6:30 – 8:00 p.m.
Location: New Creation Church
3115 Altadena Avenue
San Diego, CA 92105

Each day thousands of decisions are made about the welfare of children and families. Please join Project Save Our Children in meeting the key individuals accountable for these decisions and learn about their plans to eliminate the disparate treatment of African American in each Agency!

Alfredo Aguirre, Director – County Mental Health

Tonya Torosian, Executive Director – Commission on Children Youth and Families

Mack Jenkins, Chief Probation Officer

Debra Zanders-Willis, Director - Child Welfare Services

Barbara Jimenez, Executive Director – First Five

Rene Santiago, Regional General Manager – Central Region

Department: FHNRC

Salary Grade: F-6

Reports to: Project Director and Program Case Coordinator

Status: Non Exempt

Job Summary: Under the direction of the Program Case Coordinator I and the Project Director of the California Healthy Start Programs, provide outreach, needs assessment and case management to families for cancer disease prevention in the Family Health Navigator Resource Center (FHNRC) project's target area. This position is located at PCI's National City office. This is a full-time position.

Duties and Key Responsibilities:

- Coordinate and implement the cancer disease prevention program of FHNRC.
- Conduct outreach among families, increasing their awareness and knowledge of health issues and accessing health services.
- Plan and implement health education sessions, support group activities, and community service-learning projects including preparation, facilitation and follow-up.
- Prepare, disseminate educational information and material for a culturally-sensitive program design and conducts educational sessions and presentations.
- Provide for home visits and case management to program participants and evaluate their progress towards achievement of project objectives
- Identify clients in need of supplementary services and make referrals to appropriate community and health resources in San Diego and serves as a point of contact for coordination of services.
- Develop and maintain a well-stocked health and empowerment information/education "Library" and facilitate its use by the families.
- Identify clients in need of supplementary services and document follow-up contact with all clients referred to community and health resources to determine utilization patterns
- Collect and maintain relevant project data per grant/contract specifications
- Participate in agency and project meetings
- Evaluate the progress of participants and progress towards achievement of project objectives
- Maintain continuing education as appropriate and assist with special projects as assigned by Supervisor
- Perform all other duties as deemed necessary by the Program Case Coordinator or Project Director
