Notes:

- Starting in year 2000, birth certificates allowed reporting of up to three races. Race groups tabulated with a "Two or More Races" category are not comparable to those tabulated without a "Two or More Races" category.
- The increasing number of births with unknown race/ethnicity affects the accuracy of statistics by race/ethnicity.
- The large proportion of births with unknown educational attainment affects the accuracy of statistics by educational attainment.

*Rates not calculated for fewer than 5 events; interpret with caution rates calculated for fewer than 20 events since they are considered statistically unreliable.
