- Represents zero events.

¹ The list of races on this table is compiled by first identifying decedents who were reported as being of 2 or More Race Groups before tabulating single races. Unknown includes refused to state. This list is not comparable with Races used in Vital Statistics of California reports prior to 2000.

² Infant deaths are under one year of age.

³ Neonatal deaths are deaths under 28 days of age.

⁴ Postneonatal deaths are deaths occurring on the 28th day and up to one year of age.
