**CITY OF SAN DIEGO
RECYCLING HOTLINE
(858) 694-7000**

www.sandiego.gov/environmental-services

WHY IS RECYCLING IMPORTANT?

Because your efforts at reducing waste...

- Save Natural Resources
- Save Energy and Reduce Pollution
- Save Our Landfill Space
- Create Jobs

State law requires all California cities and counties to reduce the amount of waste going into their landfills 50%. If the City of San Diego doesn't meet the 50% reduction level by January 2005, it may be fined \$10,000 a day!!! This will affect the services and programs the City currently provides to its residents.

COMPOSTING INFORMATION

You can compost your yard and food waste at home. Please call the City of San Diego Rotline at (760) 436-7986 for a brochure or for more information.

RECYCLING HOUSEHOLD HAZARDOUS WASTE

In addition to used motor oil, individuals can recycle other household hazardous wastes including antifreeze, automotive batteries, oil filters, and latex paint products. For information on recycling options for these household hazardous wastes, call the City of San Diego Environmental Services Department Hotline at (858) 694-7000.

COMPOST AVAILABLE AT MIRAMAR LANDFILL

At the City of San Diego's Miramar Landfill Greenery, yard trimmings are recycled into mulch, colored wood chips and natural wood chips. Mulch can be used as ground cover for weed suppression and erosion control. Compost improves the texture and nutrients of soil. All loads must be covered with a tarp. If hand-loading, please bring a shovel and containers as needed. For information on cost and availability of material please call (858) 492-5010.
