

WHY IS RECYCLING IMPORTANT?

Because your efforts at reducing waste...

- Save Natural Resources
- Save Energy and Reduce Pollution
- Save Our Landfill Space
- Create Jobs
- State law requires all California cities and counties to reduce the amount of waste going into their landfills 50%.

BUY RECYCLED!

For a list of recycled products available to purchase in your area, to find out about recycling services for businesses, or for a copy of the *RECYCLING GUIDE*, call the Recycling Hotline at (858) 694-7000.

ENVIRONMENTAL SERVICES DEPARTMENT PARK AND RECREATION RECYCLING PROGRAM

Residents have the opportunity to recycle the following materials at their nearest Park and Recreation Center:

- Aluminum and steel cans
- CRV Plastic Bottles
- Glass bottles and jars
- Newspaper

Over \$500,000 from the sale of recyclables have been returned to the centers to benefit the community where the money was earned.

THINK GLOBALLY...RECYCLE LOCALLY

RECYCLING CENTER TIPS

Aluminum Cans: Rinse cans. CRV vending machines will not accept pre-crushed cans.

Corrugated Cardboard: Boxes and other items made of corrugated cardboard. Flatten all cardboard. Cereal and food boxes should be recycled with mixed paper.

Glass: Glass bottles and jars. Remove lids, rinse and sort by color. Other glass items such as pyrex, window glass and light bulbs are NOT currently recyclable.

Mixed Paper: Colored paper, glossy newspaper inserts, magazines, brochures, junk mail, manila envelopes, chipboard or paperboard and other paper. No plastic or wax-coated boxes.

Newspaper: Recyclers prefer dry, stacked newspaper. Don't tie with string.

Plastic: Most plastic containers are coded on the bottom according to the type of plastic used. Most centers only accept PET #1, HDPE #2 plastic and all CRV bottles. Rinse containers, remove caps, and flatten.

Refrigerators/Appliances: For information about recycling appliances, please see the listing within for the center nearest you or call the Recycling Hotline at (858) 694-7000.

Steel Cans: Steel with a thin tin coating. They can range from soup and pet food cans to beverage cans. If it sticks to a magnet it's definitely steel.

White Office Paper: Copy paper, typing paper, computer paper and other white office paper.

COMPOSTING INFORMATION

You can compost your yard and food waste at home. Please call the City of San Diego Hotline at (760) 436-7986 for a brochure or for more information.

RECYCLING HOUSEHOLD HAZARDOUS WASTE

In addition to used motor oil, individuals can recycle other household hazardous wastes including antifreeze, automotive batteries, oil filters, and latex paint products. For information on recycling options for these household hazardous wastes, call the City of San Diego Household Hazardous Materials Hotline at (858) 694-7000.

COMPOST AVAILABLE AT MIRAMAR LANDFILL

At the City of San Diego's Miramar Landfill Greenery area, yard trimmings are recycled into mulch, compost and wood chips. Mulch is available at no cost (except for three-axle vehicles or larger). Compost and wood chips are available for a fee with discounts for City of San Diego residents.

Please bring a shovel, containers and a tarp to cover your load. For more information on cost and availability of material call (858) 492-5010.

I LOVE A CLEAN SAN DIEGO (ILACSD)

I Love a Clean San Diego is a not-for-profit, environmental organization founded in 1954. ILACSD coordinates various public education programs for governmental agencies, businesses and trade groups. The organization relies on municipal funding, in-kind donations, fees-for-service, individual and corporate memberships and volunteers to support its operation. ILACSD provides programs in area schools, and provides water pollution programs as well as other educational activities.

Call (858) 467-0103 to learn how you can VOLUNTEER to help these important efforts!
